ERASMUS-SPORT-2022-SCP-TeamUP-101090417

Developing sports ethics

Respect for teammates, coaches, opposing players, referees, audience. Building collective thinking and team play.

Improving physical qualities and coordination of movements

The ball game (dribbling, catching, passing and shooting) requires a high degree of coordination and consistency of actions in the team

Developing self-discipline and self-control skills

Stimulating the development of cognitive skills such as memory, attention, logical and creative thinking and other fundamental abilities to be coordinated.

Creation of technical-tactical skills and habits in offense and defense and their coordinated application in the game /football and basketball/

Instructions

TEAM UP

The purpose of **Team Up** is to promote education in sport through an educational program for teachers and coaches based on a methodology that recommends using techniques from one sport to train athletes in another sport.

The platform can be accessed via the following link:

<https://moodle5.schmelz.univie.ac.at/login/index.php>

Welcome, Team!

Welcome to the eLearning platform of the project Team Up!

This website is organized in a course-like structure. Please enroll to the courses that suit your needs and interests.

This platform offers three learning modules that cover different aspects of coaching in Football and Basketball. **Module 1** focuses on teaching ability, **Module 2** addresses social and emotional competencies for coaches and athletes and **Module 3** provides information on sport performance. For more information on the project Team Up and a forum where you will be able to communicate to other students, enroll in the course **General Information**. For enrollment, go to the home tab at the top left. There you will find a list of all available Modules.
